Welcome Molly!

We are so excited to be introducing our newest client care team member, Molly!

Molly is currently studying Speech Pathology at the University of Queensland and is a caring, kind and dedicated individual who is looking forward to getting to know and support all of the lovely Cooee families.

Welcome to the team Molly!

Jeans For Genes Day

The Cooee team raised awareness on Friday the 5th of August in support of Jeans For Genes day and donned our denim. 1 in 20 children are born with cancer or a genetic condition and it was wonderful for the team to come together and donate to this great cause to support medical research to find a cure for these conditions.

Speech Pathology Awareness Week

This year the theme for Speech Pathology Awareness Week is '*Good Communication, Better Communities*'.

Communication is a basic human right and each year Speech Pathology Awareness Week highlights the incredible work done by Speech Pathologists in supporting 1.2 million Australians who have a communication disability.

Over the past 2 years the community has lived through a global pandemic which is now emphasising the communication challenges that are being faced by Australians.

Speech Pathology Australia awareness week is celebrated between August 21 and 27 this year. Keep an eye out on our Instagram and Facebook pages for information from our team in support of this great week.

MS Read-A-Thon

Get your children involved in reading this August in the annual MS Read-A-Thon!

The MS Read-A-Thon challenges children to read as many books as they possibly can in the month of August whilst earning prizes, badges and completing challenges.

This keeps reading exciting and all funds raised support services to families with Multiple Sclerosis.
